### Jack Heptig Family Back After 2-Week Pleasure Trip to Texas

By SUE BURK  
FR 5-4549

Back again after a two week pleasure trip to Harlingen, Texas, is the Jack Heptig family of Binedwald Rd. Jack and Florence took the kiddies Kathi, Betsy, Melinda, and Bud to the wedding of their uncle, Albert Stephen Heptig and Mary Joyce Wylie.

The whole area is in an uproar, and in good cause too. The tears are flowing like mad wine for Mr. and Mrs. Floyd Holstin and family will soon be leaving us. They are not leaving because they want to, but Floyd's job has taken him to Lancaster, Calif. We wish them well and we do hope they shall be happy in their new home. They will be leaving us at the first of the month.

Get well greetings to little Becky Leonard of Zakon Rd., who has been feeling sorta down in the dumps lately. We hear that Becky has been running a fever. Hurry and get well, Becky. Your little playmates miss you.

Happy to report that Michael Alan Renz is playing again now after a double case of the mumps.

The Scout Mothers' Club held its last meeting in the home of Mr. and Mrs. Wood, of Allied Gardens on July 21. The women discussed more about the Christmas tree lot sale for the coming December. The ladies will have a booth with greeting cards, wrapping paper, ribbons, gifts of all kinds for last minute shoppers. In addition, the ladies are now taking orders for Christmas greeting cards.

Anyone wishing to purchase greeting cards and to feel sure of getting said cards on time to mail out for Christmas, please contact one of the Scout Mothers. Also, learned at the meeting that Joan Chunging, a resident of the old ladies home, which is a project of the Scout Mothers Club, has passed away. The new resident taking her place is Becky Payne.

Madge Graham offered her resignation, but it was not accepted by the members of the club. She again was voted to keep her position as president by all "ayes" and no "nays". There was much discussion of separating the Scouts from the Explorers as the clubs are separate from the scouts. The Explorers Herbinson, Ellen Kennedy, Hazel Wolfe, Vella Heffrin,

Mr. and Mrs. Pat Brady of Doris Way are seen busily redecorating their home. Bet it looks nice when you have finished, after all that work.

The Oklahoma Picnic held in Banning Park went off with a bang, according to June and Rose McClune of Doris Way. Seems more friends met older friends, even school day friends of long ago. We feel sure that everyone enjoyed a lovely day.

Michael Briener is very ill in the Los Angeles General Hospital. No visitors are allowed as yet, for Mike has been in the oxygen tent for some days now. He is the son of Mr. and John Briener, of 3515 Doris Way.

Much credit is due a young talented Seaside Heights housewife, Thelma Ledwidge has studied very hard and just finished Somerset Maugham. Thelma portrayed the part of Sadie Thompson.

The Rev. Paul C. Cox of the St. Andrew's Presbyterian Church of Regondo presented four boys of Scout Troop 726 with the God and Country Awards this last Sunday. Being presented with their awards were: Reese Haggott, Hal and Ralph Muldoon, and Bill Evans all of the Ranchoes. Mr. Bay Realtor, gave the responsive Ben Haggott, well known South reading. ## Mercer Learns Sonar in San Diego School

Jerry E. Mercer, yeoman third class, USN, son of Mr. and Mrs. E. D. Mercer of 219 W. 220th St., and husband of the former Miss Mary L. Hirv of Duncan, Okla., is serving at the U.S. Fleet Sonar School in San Diego.

Molly Therrian, Betty Rounds, Eve Zervantian, Shirley Parrish, Il. Melva Gruver, Pat Merolla, Mae Patton, Evelyn Noone, Mae McCabe, Helen Morris, Emily Honzick, Gwen Sclonauer, Bea Merolla, and the honoree, Ellen Daggett.

To set the scene, a baby cradle was filled to capacity with tiny pink rosebuds. Decorating the sheet cake was a picture of a large stork with his usual baggage. Besides the cake and confetti, the guests enjoyed the unusual candies and nuts along through the evening.

Mark Joseph Mitchell, year-old son of Mr. and Mrs. Joek S. Mitchell of Zakon Rd. was seriously hurt when he attempted to climb aboard a tricycle in the yard of his home. Not knowing the ways and whereof of the three-wheeled monster, the baby fell to the ground, severely cutting his upper lip and breaking his tiny baby teeth.

Even though this is two months old it may still be as good news to some of my readers as it was to me. Mr. and Mrs. James Taylor of Binedwald Rd. welcomed a new guest in their home just about two months ago. The little doll in the shape of a girl was named Lynnell Lois Taylor and she weighed six pounds even. Now she tips the scales at 10 pounds and 11 ounces.

Mrs. Mary Sokolowski and young son Tommy spent the week in the San Fernando Valley with Mary's sister, Toby Haas and Walter J. Sokolowski. Mary tells me that with all the lovely weather they enjoyed a wonderful vacation time.
